**Spiritual Adventure Tour**

with Jonette Crowley

Do you long to be touched by a world where spirituality is a way of life, beauty is revered, and ancient traditions nurture your soul? Then join us in exploring the jewel that is the Indonesian island of Bali.

Forged by fiery volcanoes; made fertile by sun and rain. This is a paradise for life itself. Our tour begins at a relaxed pace with three nights at the beach, including a day trip to Nusa Penida island, visiting the temples there. Then the jungled hills and rice paddies bid us inland to the thriving town of Ubud as our base of exploration. Here Bali's colorful spirituality exudes from the carved alters everywhere, the women carrying temple offerings of fruits and flowers on their heads. We'll visit with a priestess, cleanse ourselves at water temples, take part in a full moon ceremony. Our goal is to look deeply into ourselves, giving wings to our hidden spirit. We seek connection with beauty and nature and with the eternal flow of abundance here. Bali is the second of a trilogy of spiritual adventure tours around the Pacific 'Ring of Fire' with Jonette. June 2019 was Mount Shasta in California. May 2024 will be the Big Island of Hawaii. Power beckons.

In the Balinese hills, the town of Ubud is home to an ancient spiritual heritage, incredible landscapes and timeless temples. There is a large community of craftsman— wood, stone, batik, and jewelry. The town boasts fine restaurants with incredible views, and peaceful hotels. In addition to deepening our spirit, we'll enjoy activities such as rafting, bicycling, a

cooking class, hot springs, and an optional early morning hike up Batur volcano to greet the sunrise.

Throughout our time together in Bali our senses are opened to the awareness of the material infused with the sublime. Our hearts are opened by the people themselves. Jonette will channel, lead meditations, and conduct several mini-workshops during our time here. We see ourselves, and others in a higher Light. We leave reborn...
